Hand Washing Instructions

Wet hands with water and enough soap to cover all surfaces

Rub hands palm to palm, also with fingers interlaced for 20 seconds

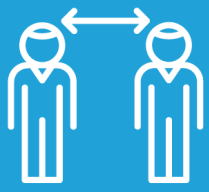
Rinse hands with running water

Dry your hands thoroughly with a single use towel

Remember we are all in this together

THREE SIXTY SAFETY™

Social Distancing Tips



Keep a distance of 6 feet between people

Avoid physical contacts such as hand greetings, kissing and hugging

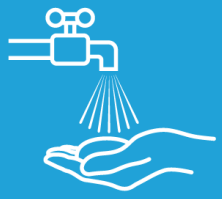
Avoid going to crowded places, and if it’s inevitable, don’t take minors or older people with you

Avoid contact with anyone who is sick

Remember we are all in this together

THREE SIXTY SAFETY™

Personal Hygiene Tips



Wash your hands frequently with soap and water for at least 20 seconds

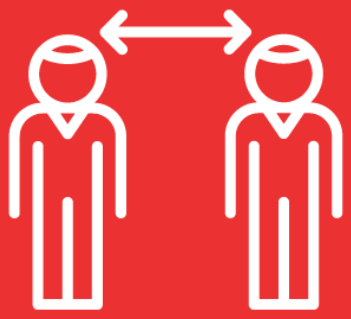
If you are unable to wash your hands with soap and water, use antibacterial gel with 70% alcohol

When sneezing or Coughing, cover your nose and mouth with the inner angle of your arm or with Disposable hanker chief

Don’t touch your face including your mouth, ears, eyes and nose

Help stop cross-contamination

THREE SIXTY SAFETY™



Please Practice Social Distancing
